

## ***Explorer's and Supergroup***

We began both children's gatherings in mid November. Supergroup has our faithful and regulars who attend. Shannon, Gina, Grace, and Harley.. Iona comes two weeks a month but is not well just now. Lucy joined at the beginning of the term. Super Group began this term by using some of the miracles Jesus did. We are having a Pirate and Princess part in the near future. (I can't wait)

Our young Explorer's have began with the creation and are thoroughly enjoying hearing about it and two beautiful gardens are on display in the big Hall. These were made by Kevin and Neeva who did very well. Things to celebrate!! Include the fact that Shannon, was chosen to be on the team of five, that were invited to interview the new Head teacher. She was asked very interesting questions such as, Will you be a good head? How will you deal with bad behaviour? There were five politely asked questions in total. Both Shannon and Gina have also achieved star pupil awards- well done to both. All of our children have had parents evenings, and received good reports. Congratulations to all. Finally, there's are two of us about to attempt to complete the biggest challenge ever!!!!What could it be?? Hmm, Rachel and myself are attempting a 12 hour sponsored silence!!! Will we manage! More news to follow.

**Lynne**
